

Role of SAIs in Building Back Better

25th UN/INTOSAI Symposium
28-30 June 2021

The recovery phase from the pandemic represents an opportunity for all levels of government to build back more inclusive, equal, resilient and sustainable societies.

- ECOSOC President, HLPF July 2020

Reflections on

- How can SAIs contribute to building back better ?
- What do we cherish and what do we change ?
- How will IDI support SAIs in contributing to build back better ?

SAI contribution through

High Quality, High Impact

Agile and Forward-Looking Audits

- Transparency
- Accountability
